

Red Cross Drive Nearing Quota

Because of Bad Weather, Drive Will Continue After March 31 If Necessary

If contributions continue as they are now going, Randall County will succeed in raising its minimum Red Cross War Fund quota, as set by the American National Red Cross office. Because of two days of bad weather, it may be necessary to continue the canvass of Canyon beyond March 31, for it is the purpose of the local Chapter to give the occupants of every house in Canyon an opportunity to share in the Red Cross work, if they have not already made their contributions at the City Hall, the Registrar's office at the College or at the First National Bank.

The County War Fund Chairman, T. V. Reeves, states that because of travel difficulties a few homes in the country have not yet been visited, but that they will be visited as soon as possible; persons who have been missed are urged to see their community chairmen, or to make their payments in Canyon if they prefer.

At a meeting early this week, the town of Canyon was divided into two districts, and the following workers were furnished cards, stickers and buttons, in preparation for the house to house visitations which are going on now: Southwest corner, Joe Findley, chairman, S. B. Orton, Dan Sanders, James Cole, B. F. Oatis, Pat Baber, Tom Black and Mrs. C. W. Warwick; Southeast corner, Milton Morris, chairman, Charles Duval, Neely Cox, Marion Higdon, Guy Harp, Mrs. Tom Knighton; Northeast corner, Mrs. S. B. Louder, chairman, Mrs. Jim White, Sam Bond, W. H. Harden, Mrs. Clint Oldham; Northwest corner, Winfield Miller, chairman, W. N. Nicklaus, Mrs. Ed Harrell, Mrs. C. O. Elkins, Mrs. Milton Neilson, W. H. Stroud; east of highway, Mrs. Irving Stroude, chairman, Adele Barnes, M. E. Cantrell, Mr. and Mrs. W. L. Smith, Mrs. E. F. Dillon; north of highway, W. G. Sanderson; West of high school, J. W. Phelps, J. R. Sharp. During the week other workers may be added.

Randall County people are really living up to the National Slogan, "Give more in '44" and increased interest is shown in Red Cross work each day as reports come of home boys in hospitals and prison camps who are being reached and cared for by the Red Cross. More individuals of this county have already made donations than in any previous year, according to the records.

Deferred Men Under 26 Will Be Given Physical

All young men 18 to 26 years who are now classified 2-A or 2-B will be given physical examinations at once under direction of Selective Service.

All local boards were instructed Monday to closely examine the deferments of all young men under 26 years of age with the view of sending them for physical examinations.

The Randall county board is meeting this afternoon. Since the board is faced with a call for 54 men on April 21, every available young man will be called up to take the physical examinations.

Cold Wave Drops Mercury to 11 Above Wednesday

The mercury dropped to 11 degrees above zero yesterday morning as winter staged a comeback after a week of mild weather.

The wind turned to the north Tuesday, bringing a flurry of snow. The snow amounted to nothing so far as moisture was concerned.

This is considered to be the pre-Easter storm, and the weatherman predicts that fair weather will follow the drop in temperature of this week.

New Well for the City Completed

The new city water well has been completed, and the contractors are now waiting for the casing.

It seems that the quantity and quality of water in the new well are all that city officials could expect. The new well was drilled a considerable distance west of the other wells when well experts pointed out the fact that the city wells were grouped too closely together.

Directors: The three officers, Dr. Robert P. Jarrett, Rev. C. C. Armstrong, John R. Sharp and Lee Johnson.

Car Tags Must be on Cars by Saturday Nite, April 1

April 1st is the dead line for buying 1944 automobile plates.

Sales of new plates has increased during the past week as the time for purchase of the 1944 tags nears an end.

Tax Collector M. E. Cantrell advises all car and truck owners to have their new plates on their vehicles on or before midnight, April 1, or they will be forced to abandon the use of their cars for highway use.

Sanders Children Are Home to Meet Brother

M. C. Sanders returned the first part of the week from Watsonville, California. With him came Pfc. James Calvin Sanders for a 14-day furlough. Pvt. Sanders was met by three sisters: Mr. and Mrs. (Mae Sanders) Young, Santa Rosa, N. M.; Mrs. Hazel Tyler, Galesburg, Ill.; Mrs. Edith Murphy and family, Black, Texas; and two brothers, Earl Sanders, Hereford, and Milton Sanders and family, Canyon.

Private Sanders graduated from Canyon High School at mid-term of the 1942-43 school year and went to California immediately.

Cecil Briggs Is New Coordinator 350th C. T. D.

Cecil Briggs is now coordinator of the work given by the college for and with the 350th Army Detachment. He succeeds Dr. A. M. Meyer.

The change in the administration of the Army Air Corps program has come through the request of Army authorities that the coordinator maintain an office in the Science Building, give his full time to the position, and teach one class of aviation students. It seemed inadvisable for Dr. Meyer to continue in the position as the teaching duties lay outside his fields of preparation, and it is necessary that some of his time be devoted to the problems of the graduate school.

Mr. Briggs has been associated with the Army Training Detachment almost a year, and is known as one of its most popular and satisfactory teachers. He states that he is glad to give his entire time to the new position, and that he enjoys the work.

Since he is now relieved of his responsibilities to the Detachment, Dr. Meyer expects to work aggressively on further development of the graduate division of the college.

City Election to Be Held Tuesday; 4 For Commissioner

The city of Canyon will have an election for members of the City Commission.

Mayor W. A. Warren is running for his first elective term without opposition. He has served one year in office, being appointed to fill out the unexpired term of C. H. Jarrett who resigned last year.

Two commissioners are to be elected, S. B. Orton and B. F. Oatis, present commissioners, have filed for re-election. Petitions have been filed for two new candidates: Dr. S. H. Condron and Andy Walsh.

So far no statement has been issued by any of the candidates for the city commission.

Grandmother Rogers Died Tuesday at Home Near McLean

A pioneer, known in every community of the Panhandle, died Tuesday at her home near McLean at the age of 101 years. This was Mrs. Martha Rogers, known as "Grandmother Rogers" to thousands of Panhandle people.

She visited often in Canyon while her son, the late J. E. Rogers, lived here. Mrs. Rogers had been a member of the Methodist Church for 89 years, and states that she had heard 7,500 sermons. While she was able to attend the annual conference of her church, she led the opening prayer for more than a quarter century.

Many New Taxes Added to Help Pay for the War

New taxes will go into effect on a large variety of consumer goods on April 1.

The new tax rates range from 5% to 20%. The business firms are under obligation to collect these taxes from the consumers. They cannot absorb the taxes due to the fact that the tax amounts to more than their profits in many cases.

When your merchant adds these taxes, just remember that America is engaged in a costly war, and all of us are going to have to dig up our part paying the expenses.

Mr. and Mrs. John Davis had as dinner guests Sunday, Mr. and Mrs. Tom Lair and family, Canyon; S-Sgt. Avert Lair, Midland, Texas; Mr. and Mrs. Thad Lair, Amarillo; and Lieut. and Mrs. James Davis who are enroute from San Marcos to North Carolina.

Lt. Glen Davis Lists as Missing In Action

Lieut. Glen M. Davis has been reported as missing in action by the War Department.

The telegram received by Mr. and Mrs. W. M. Davis, Saturday, stated that their son had been missing since a raid on Steyr, Austria, February 23.

Lieut. Davis was co-pilot of a B-24 and had been stationed in Italy since December 20. He entered service in October, 1942, and had been overseas since November, 1943, being stationed in North Africa before being transferred to Italy.

Davis was graduated from W. T. high school, later attending West Texas State College.

During his study at WTSC, he was president of his class all four years, was an outstanding speech student, and was president of IRC.

Following graduation, in 1941, he entered University of California and completed one term before going to Washington, D. C. to fill a civil service job.

His only sister, Miss Mary Lee Davis is a graduate of West Texas State and is an instructor in the White Deer schools.

How Postal Rate Changes Affect Canyon

Beginning March 26, new postal rates made the following changes in mail in Canyon.

Letters mailed in Canyon to go out on the Rural Routes are now 3c per oz. instead of 2.

Local drop letters remain the same, 1c per oz.

Air-mail rate changes from 6c to 8c an ounce. (The rate of 6 cents per half ounce will continue to apply to air mail sent to or by members of our armed forces overseas. This rate will also apply to air mail sent to or by members of such forces whose address is an A. P. O. or Fleet Post Office, care of the postmaster, Seattle, Wash., or A. P. O., care of the postmaster, Minneapolis, Minn.)

There are slight increases in parcel post rates.

Money order fees have increased. Insurance and C. O. D. fees are doubled.

Fees for registration are slightly increased.

Postal cards and post cards remain the same.

Two Trustees to Be Elected on Next Saturday

School trustee elections will be held in all districts of the county next Saturday.

Judge A. H. Hunt has called elections in all of the common school districts of the county.

Term of office for two trustees of the Canyon Independent School district will expire, and both have been requested to stand for re-election. These trustees are J. H. Lisle and Paul Lindsey. No other names will appear on the printed ballots.

Roll of Honor

Last week The News published the Roll of Honor of boys of Randall County who have given their lives to their country, were wounded in action or are prisoners of the enemy. This roll was compiled according to information received up to that time. Citizens were asked to contribute other names of men who were omitted.

The following were added this week:

Wounded

S-Sgt. James K. Drummond, Salerno.

Missing in Action

Lt. Glen M. Davis, Steyr, Austria, February.

County Board In First Meet

County-City Group Will Meet Again to Adopt Plan and for Election

The new County-City Planning Board held its first meeting Tuesday night at the City Hall. The meeting was called by C. L. Thompson, chairman of the City Planning Board, which will continue to function as an advisory committee to the City Commission on city affairs.

Dr. S. H. Condron, member of the City Planning Board, was introduced by Mr. Thompson and explained the county-city plan. He was elected temporary chairman to serve until a permanent organization could be formed. J. B. Speer was elected temporary secretary.

After a lengthy discussion of the functions of the new organization, a committee was appointed to write the constitution for the new group and to report on April 10 at which time permanent officers will be elected and the constitution adopted. J. B. Speer, John McCarty and W. T. Oliver constitutes this committee.

Fourteen of the 18 members of the new group were present, including: C. L. Thompson, Dr. Lee Johnson, Andy Walsh, Guy Harp, J. B. Speer, Alvin McDonald G. W. Cox, Lee Foster, W. T. Oliver, Bradley Burrus, Raymond Batenhorst, Walter Graham, Lonnie Byars, John McCarty. Those who were unable to come were: Henry Ratjen, C. R. Erwin, Bob Yeager and Walter R. Irwin.

Rev. J. R. Bright Buried Here; Son Arrived Monday

Rev. John R. Bright, 54, a Methodist minister for the past 23 years, died at a Plainview hospital Thursday night following a two weeks' illness.

Funeral services were held at 2 o'clock Saturday afternoon at the First Methodist Church in Plainview. Dr. W. C. Hinds, superintendent of the Plainview Methodist District had charge of the service arrangements.

Burial was in Dreamland Cemetery, Canyon, Saturday afternoon with the Roy Wood Funeral Home in charge.

Born at Birmingham, Ala., May 21, 1889, Rev. Bright came to Texas with his parents when he was a child. He entered the ministry at Stanton in 1921, and in 1923 was ordained a deacon, and became a member of the Northwest Texas Conference. He was ordained as an elder in 1925.

Rev. Bright was serving on the Plainview circuit which includes Liberty and Halfway Methodist churches at the time of his death. He moved to Plainview last November from near Muleshoe where he was serving the YL Circuit.

Rev. Bright is survived by his wife and two sons, Lieut. Weldon Bright, somewhere in England, and Lieut. Houston Bright, stationed at Camp Davis, N. C., a brother, G. F. Bright, Fort Worth, and two nieces, Mrs. J. E. Winters and Mrs. Henry Ellaser both of Fort Worth, and a nephew, Ens. J. R. Bright, New York.

Lieut. Houston Bright and his wife, the former Frances Usery, arrived in Canyon Monday, and Lieut. and Mrs. Bright went on to Plainview that afternoon. They will spend a fifteen day furlough there and in the parental Dan K. Usery home in Canyon.

Lieut. and Mrs. Bright are ex-students and ex-faculty members from the music department at W. T. Lieut. Bright is working in the field of radar.

Farlow Buys the Building He Has Been Occupying

A deal was closed Monday whereby G. A. Farlow bought the building on the north side of the square which he has occupied for a number of years.

The building was owned by Mrs. Irby Carruth of Bonham. Mrs. Carruth also owns the building adjoining to the east.

Mr. Farlow has been in the electrical supply business in Canyon for twenty years.

Paul Artho, Jr. Seriously Ill

Paul Artho received a telegram Sunday from the Navy department notifying him that his son, Paul, is seriously ill in a San Diego hospital with spinal meningitis.

Lt. Dennis Kern, Spearman, who has just received his wings in the Army Air Corps at Del Rio, Texas, spent the week end in the Mark Foster home.

Irby Carruth Superintendent Waco Schools

Irby Carruth, history major of the class of '27, has been elected superintendent of schools at Waco, Texas. Since his graduation from W. T. Mr. Carruth has advanced steadily toward a place of leadership in Texas education.

Immediately after graduation, he became principal of the Canyon High School. Then he spent a year in the University of Chicago, where he secured his masters degree. Later he was for several years superintendent of the Canyon public schools. From Canyon he went to Bonham where he is superintendent at the present time. He will take up his new duties at the close of the present school year.

When a senior at W. T., Mr. Carruth was president of his class, and he and his wife, Tip Bradford Carruth, were among the most active and popular students. Mrs. Carruth was a speech major, and received her degree with the class of '27. Mrs. Carruth is a daughter of Mr. and Mrs. Henry Bradford, and a sister of Mrs. W. C. Black of Canyon.

Much Interest Shown In Garden Clinic

On Thursday and Friday of last week a garden clinic was held in Thompson Club Room, with programs under the direction of Dr. W. W. Yocum, Horticulturist from Texas Technological College, Lubbock.

This series of meetings was preparational work for the Food Processing Plant which should be in operation by June 1. W. A. King of the Agricultural Education Department, Texas Tech., attended the clinic, answered questions and advised concerning the operation of proposed plant for Randall county. He is thoroughly familiar with the functioning of such centers over this area.

All meetings exhibited great interest in gardening, and showed recognition of the fact that food production is prerequisite to conservation. There was a worthwhile exchange of ideas during the question-answer period which accompanied each session. Five ladies attended all meetings and were presented with choice of a rake or hoe. Those receiving garden tools were Mrs. W. I. Wester, Mrs. Frank R. Phillips, Mrs. R. E. Foster, Mrs. Herschel Jennings, and Mrs. L. L. Byars, who also won a cultivation implement at the lucky number drawing.

Bond Sales Far Under Quota for Month of March

With only three more days to go before the end of the month, Randall county was far behind with the March quota of War Bond sales.

The quota for the month is \$25,000. The sales up to Tuesday night amounted to \$13,371.

All monthly purchasers who have not bought their March quota of War Bonds are urged to do so before Friday night.

Lawrence Overton Donnell and his wife are here from California. Mr. Donnell has volunteered and been accepted in the Army Air Corps. He will leave with the next call. Mrs. Donnell will be remembered as Louise Roach, niece of Mrs. Tom Black.

Saturday A. E. Wise brought to the News Office three Austral-White hen eggs that had a total weight of 11 ounces. The largest measured 8 1/2 by 6 1/4 inches and weighed 5 ounces. Each of the others weighed 3 ounces.

W. W. Stephenson of Tulsa and J. H. Stephenson of Happy were business callers in Canyon Thursday.

Gordon McCarty of Clovis spent Monday visiting at the homes of his sisters, Mrs. W. A. Warren and Miss Nora McCarty.

Labor Shortage Serious Handicap

Farmers Find Machinery Is Second to Depleted Manpower for 1944 Crops

The Randall County Farm Program Committee are busy this week assisting farmers in making 1944 Food Production Statistics. Four Committeemen are on duty each day at the County Agent's office. About 100 farm plan sheets are completed each day. In addition to the estimates for production requested by the War Food Administration the Randall County Committeemen are attempting to make a few figures of their own in regard to war time handicaps to production. Farmers are being asked to list 1944 handicaps such as labor shortage, lack of transportation, shortage of machinery and repairs. These are listed in order of their importance for each farm. Some interesting figures are being compiled in answer to the question, "What handicaps are most likely to prevent maximum production on your farm in 1944?" Of the first 159 answers tabulated 87 farmers listed labor shortage as the No. 1 handicap. Forty-two of them said lack of machinery was the No. 1 handicap. Eleven rated lack of truck transportation as the chief handicap while only six listed failure to get repairs as the No. 1 drawback, and thirteen said no handicap except the weather. Nineteen farmers listed labor shortage as second to one of the other handicaps; thus 106 farmers consider labor as either first or second in importance as a hindrance to total food production in 1944. Shortage of replacement machinery is considered either first or second as a handicap to maximum production on 78 of the 159 farms tabulated. From the preliminary sample it appears that shortage of labor, machinery, transportation and repair parts in the order named are the principal handicaps to farm operation this year.

The Committee hopes to complete this survey next week and secure a more accurate picture of the difficulties to be overcome in the Food Production Program in Randall county.

There will be no change in time for the opening of schools in Canyon this spring. Heretofore on April 1, all the schools have changed their schedules. This year the College, West Texas Demonstration School and Canyon Public Schools will continue their schedules as they now stand.

When summer sessions at the College and Demonstration School open, there will be some changes made.

Floyd County last week become one of the first Panhandle counties to recognize post-war development to air traffic. The Commissioners Court contracted for the purchase of a 407-acre airfield site adjacent to highway 70 mid-way between Floydada and Lockney.

Mile-long runways to all points of the compass will be possible and administration and other building sites will be closely adjacent to the highway.

Floyd County commissioners are to be congratulated on this forward looking step.

When Churchill told the world that he was willing to step aside when he was in the way, he might have been suggesting the same thing to Roosevelt. These two men have directed the war, and carried heavy responsibilities in their efforts. They have not always agreed as to the manner in which the war should be carried on. Their last meeting was not cordial. Regardless of Churchill and Roosevelt the Allied military leaders are going to whip the Axis. Winning the war is only a question of time. But winning the peace is not going to be so easy. It is not the question of a parley for a few days, as we tried to settle the peace after World War I. It is going to be a problem for years, with alert soldiers and diplomats watching everything that goes on within the Axis. For that reason neither Churchill nor Roosevelt will live to see a permanent peace. The people of England can change governments overnight; but the people of the United States must wait until a four-year term is up. Are we going to look ahead toward a successful peace, or just another failure as followed the war of 25 years ago?

Returning soldiers have expressed amazement at the "strikes, gripes and complaint" which they hear. It has leaked out that soldiers in the Pacific threatened to strike when word was brought to them of the coal strike. "Is that what we are out here fighting for," was the bitter protest against the unAmericanism of the strikers. The government has the power to court-martial soldiers who strike, but when union racketeers lead their men to strike against a government at war, they are rewarded by having their wages boosted. An ugly mess! The administration has bungled the labor problem.

Personal: To all newspaper publishers. Two weeks from Friday, April 14, the 35th Annual Convention of the Panhandle Press Association will convene at the Herring Hotel in Amarillo. All of you are wondering about the future of advertising. An advertising executive from New York City will be the first speaker on the program to discuss future advertising in country newspapers. Gang up with your neighboring newspaper publishers and be at the convention. A copy of the Panhandle Publisher is in the mails addressed to you.

It is very evident that practically all young men under 26 years of age will be in uniform before many months. The army wants this class of men, and the army will get what it wants. Induction of older fathers, while there remains such a large number of single boys with secure deferments, is ridiculous. At any rate, Selective Service has ordered the physical examination of all men 18 to 26 years, and most of them will be in the army soon, regardless of present deferments.

We do not know which is worse, a blabbing radio commentator, or a snooping Congressman. The two species paid their respects to each other one night recently. The facts are that there are too many commentators talking about too many things. And the Justice Department is the one to handle law infringements, not Congressmen.

Henry Ford predicts that the war will end in two months. We hope that Henry knows what he is talking about. However, we remember his peace ship to Europe during World War I when he was going to get the boys out of the trenches by Christmas. Henry made a bad guess then; but we hope—against better judgment—that he could be right this time.

V-NEWS

News From The Textile Field

Have you wondered why one cannot find many low-priced garments in the current market? The OPA ruled in March 1942 that no merchant might have a higher price range of garments than his highest in March. This ruling was meant to keep low priced garments for sale. However, the manufacturer faced with ceiling prices and increasing costs legally usually did one of two things:

1. Stopped making low priced garments and made those in higher price range.

2. Or, closed out the old line and opened up as a new company. Hence, retailers carrying the low priced garments could not find them for their stock. Stores carrying more than one price line, sold only garments in the higher price line.

Today the OPA is working on a solution to this problem. It is studying about increasing ceilings on low priced garments and making more rigid rulings on higher price lines. The WPB is planning to send cheaper textiles to the low price clothing manufacturers.

Budget Submitted To State Board of Control April 1

Tentative Budget for Two Years Beginning Sept. 1, '45; Ending Aug. 31, 1947

On April 1, President J. A. Hill will submit to the State Board of Control the tentative budget for W. T. S. C. for the biennium beginning September 1, 1945 and ending August 31, 1947. The total budget for the two years is \$958,988.50.

In making his plans for the '45-'47 period, President Hill has kept in mind the opinion of business and education and government experts that there will be a great increase in college enrollment immediately after the war. Many military and civilian authorities believe that the war will be over by sometime in 1945. The budget on which the president has been working has been carefully worked out in accordance with general plans discussed by the Association of State College presidents, the Texas State Board of Control, and the Texas Board of Education.

A twenty per cent horizontal increase in salaries up to and including \$2100 for nine months, and fifteen per cent in salaries above \$2100 and up to \$3600 for nine months is asked for. Several other minor salary adjustments are requested in the budget.

W. T. has asked for a 25 per cent increase in maintenance. This increase is needed because of the higher prices of all materials and labor. A fifteen per cent increase is asked for summer school funds. All the figures in the budget are based on the budget which was in effect during the two years 1941-43.

as these are considered more normal years than the present. \$6,000 has been asked for the reconditioning and equipment of the rooms of the Science Building when the Army Detachment is no longer on the campus at the end of the war.

The library will be enlarged and quarters renovated at a cost of \$5,000, according to the proposed budget.

Burton gym comes in for \$3,000 item which is for a new roof and other repairs needed to keep the building from deteriorating.

The college campus needs wider streets and sidewalks and much landscaping. \$15,000 has been asked for these improvements. W. T. S. C. no longer has a President's Home on the campus, but \$25,000 has been asked for the construction of such a building after the war.

There are private funds available for a part of the completion of another unit to the Panhandle-Plains Historical Society Museum. The legislature is asked for \$20,000 to match these.

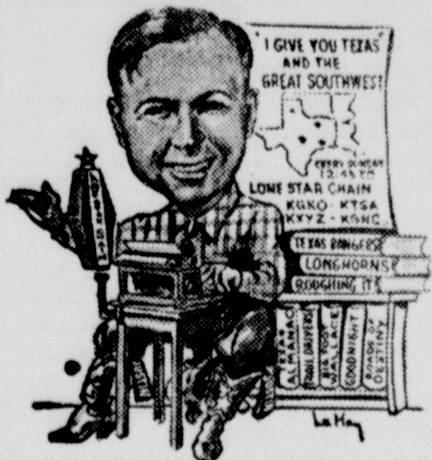

The proposed budget asks for \$25,000 to complete the annex to Randall Hall.

An item for \$5,000 each year states that it is for general repairs where needed on campus buildings.

A \$250,000 library building is asked for. In connection with West Texas State's building program, President Hill said Saturday, "If we get the appropriation for this library building, it will be the first appropriation for a large building on the campus since 1927. W. T. S. C. is the only state-supported college which does not now have a separate library building. It is undoubtedly our greatest need."

Architect C. W. Carder, President Hill, and Miss Tennessee Malone, the librarian, have been working together on plans for the library building for several years.

It is anticipated that the President, and perhaps other members of the college staff will find it necessary to make several trips to Austin in connection with the budget. If, however, these trips result in West Texas State's receiving \$378,994.25 the first year of the biennium, and \$579,994.25 the second year, the institution would have all of its facilities remarkably improved and extended and would be in a position to serve the students who will flock to the campus as soon as peace comes again.

The old frame school house stands, abandoned, beside the highway. The doors are gone, the window lights are broken out, the paint has peeled off and there are holes in the roof.

At sight of it, one thinks of the swarm of noisy boys who "stomped," in bygone days, across the worn threshold and the hum of young voices busy in study, of notes that were smuggled by lads to pretty girls, of the swish of a paper-wad sailing through the air and of the deeper swish of the switch in the hand of a stern-eyed teacher.

Gone are the spelling matches and the command, "Sing down to 'do' and call it 'fa'" and the Friday afternoons, with the recitation of "Life is real, life is earnest" and "Give me liberty or give me death" by barefooted orators and shy lasses in gingham.

Nevertheless, abandoned school house on the hill, you have served Texas well and so this wayfarer lifts his hat in salute.

Journeying over the highway between Cleburne and Glen Rose, one sees red-buds in bloom and distant hills veiled in a haze of blue. Glen Rose itself, with its setting of trees and winding river, is one of the most charming towns in Texas. A visitor might be lucky enough to see one of Jack Bridges' beautiful Palominos on the court house square and there is a dinosaur track preserved in the court house yard and you might hear something about the legend that John Wilkes Booth escaped from the burning barn after the assassination of President Lincoln and lived out his life in Glen Rose.

What kind of candy were you fond of when you were a boy? Personally, I never cared much for the long black strands known as licorice whips. It took much deliberation for a fellow to choose between a piece of lemon stick candy and peppermint. The peppermint was more pleasing to the eye but the lemon stick lasted longer.

Dance Honored First Birthday of 350th Group

A birthday dance, celebrating the first anniversary of the 350th C. T. D. which is stationed on the campus of W. T., was held Saturday evening in Cousins Hall. Members of the faculty were in the receiving line.

At nine o'clock, a grand march was led from the ballroom into the lounge where Lt. Manly Ballard cut a three-tiered birthday cake and presented President and Mrs. Hill with the first two pieces.

After being served the cake and punch, guests returned to the ballroom for dancing until 11:30. Serving at the punchbowl were Mrs. Agnes Smith and Mrs. Anne Wolford, matrons at Cousins Hall.

Flowers were sent to the birthday party by Bellah's Grocery, Buffalo Tailors, Walker Drug, and Stevens Floral Co. Congratulatory letters were sent by Rev. Robert W. Jones, Warwick's Gift Shop, Rev. W. R. Scott, President J. A. Hill, the Mayor of Canyon, T. V. Reeves, chairman of local chapter of Red Cross, Rev. C. C. Armstrong, Bob's Coffee Shop, First National Bank, Cooper's M System, American Legion, Olympic Theatre, Allen & Black, Buffalo Drug, Canyon High School, Burrow Lumber Co., Thompson Hardware Co., City Pharmacy, Canyon Rotary Club, Dean R. P. Jarrett, and the Ex-Students Association of W. T.

In each letter was expressed the enjoyment of having the aviation students on the campus, and the hope that the boys will continue to hold a warm spot in their hearts for the College in which they received their training.

Hats off
to the People who Produce
your Electric Light
and Power

The Charles A. Coffin Foundation
confers a special citation for
distinguished wartime achievement
on the
ELECTRIC LIGHT AND POWER INDUSTRY

"Faced with unprecedented demands, the Electric Light and Power Industry has met every war-production requirement without delay and without impairment of its peacetime services to the public. This achievement merits the appreciation not only of American industry but of the entire nation."

—FROM THE CITATION

THIS CITATION is richly merited—for here is a branch of industry that has done a remarkable war job that has not been generally recognized.

If electric power should fail, or if it be too little or too late, the disastrous effects would startle all America. Vital machines would be motionless. Millions of homes would be cold—and an eerie blackout would descend over the land.

But, electricity has not failed. Rather, in 1943 twice as much power was produced as in the year before the war—with the minimum of new facilities—and despite large losses of skilled employees to the Armed Services.

In the words of J. A. Krug, Director, Office of War Utilities of W.P.B., "Power men—public and private—should be proud of the job that has been done in providing power supply. Power has never been too little or too late."

We of General Electric, who have built a large part of the electric equipment which generates, distributes, and uses the electric power of America, take pride in the way this equipment is standing up under the strain of "forced draft" wartime operation.

Many of the men and women responsible for this remarkable record are your neighbors—the manager or meter reader who lives across the street, the girl in the accounting department who is in your bridge club, the lineman with whom you bowled last night. A word of appreciation from you to them will lend added significance to this well deserved citation. General Electric Company, Schenectady, New York.

What Is the Charles A. Coffin Foundation?

THE PURPOSE of the Charles A. Coffin Foundation is to encourage and reward distinguished achievement in the electrical field by "prizes to employees; by recognition to lighting, power, and railway companies for improvement in service to the public; by fellowships to deserving graduate students; and by the grant of funds for research work at technical schools and colleges."

Establishment of the awards was announced twenty-two years ago in a statement issued by President Swope and dated December 2, 1922:

"On May 16, 1922, Charles A. Coffin in his 78th year retired from the active leadership of the General Electric Company. Mr. Coffin has been identified with the development of the electrical industry since 1882. He was the founder and creator of the General Electric Company, of which he has been the inspiration and leader for thirty years."

"As an expression of appreciation of Mr. Coffin's great work not only for the General Electric Company but also for the entire electrical industry and with the desire to make this appreciation enduring and constructive as Mr. Coffin's life and work have been, the Board of Directors of the General Electric Company, created on his retirement and now desires to announce the 'Charles A. Coffin Foundation.'"

Rev. Armstrong Talked on Roads at Rotary Club Lunch

Rev. C. C. Armstrong was in charge of the Canyon Rotary Club program Tuesday.

T. E. Allen was presented as a new member of the club.

W. M. Teague of Dalhart, Scout executive, presented the Charter of Troop 30, which has been sponsored by the club for the past 10 years. Membership cards were given Boy Scout Committee members, Levi Cole, Chas. Duval, Lee Johnson, W. W. Nicklaus and Dr. Doy L. Johnson.

Visitors were: F. R. Barnes, Sam Tidwell, Frank Barnhill, E. Kancher, all of Amarillo; W. M. Teague of Dalhart; Sgt. Thurston Barlow of Robbins Field, Ga., who is visiting his mother and sister here.

Mr. Armstrong discussed roads as a symbol of the nation. Trail blazers of the early days of civilization were reviewed, and what these builders had accomplished for humanity.

If the nation had been more interested in its spiritual highways, the tragedies of Pearl Harbor, Bataan and Cassino might not have occurred.

The engineer studies the soil, lays a firm foundation, and then selects materials which will endure. He advised that lives should be built in the same careful manner as the engineer uses. The slang of speech, literature and song of the present day are not conducive to firm foundation for lives.

Sending 17 and 18 years old boys to the armed forces is a challenge to those remaining at home. What will be their ideals when they return? Will we have made the road smoother for them in the future?

The speaker referred to "adult delinquency" instead of the so-called prevailing juvenile delinquency as is deplored by all citizens.

Fairview Breezes

Spring seems to be just around the corner as fruit trees are in full bloom.

Mr. and Mrs. G. E. Wesley have borrowed a trailer house from Happy McGehee and are now located again at their place after the burn out of the past week.

We regret to learn of the critical illness of another of our pioneers. Will Hamblen is in an Amarillo hospital and all of his children have been notified of his illness.

Mr. and Mrs. G. E. Wesley and Mr. and Mrs. Hollis Shipman and children motored to Hedley Sunday to look at a house for sale, but it didn't suit.

Our school bus is out of order at present.

Mr. and Mrs. A. E. Wise entertained a large crowd in their home Friday night with Progressive "42" and ring games. Mrs. Finis Brazil and Dellas Zachry won high score and Mrs. Melvin Miller won low. Cookies and punch were served.

Mr. and Mrs. J. W. Wesley entertained 25 of their friends in their home Sunday for lunch. They all enjoyed singing in the afternoon.

J. Fulcher had the last of his teeth pulled Saturday.

Mrs. C. L. Wesley was called to Lubbock Friday night by the critical illness of her mother, Mrs. Kora Polk, who has been in a cast with a broken hip for the past 4 months.

Mrs. Serena Bryan and Tom Rogers went to Happy Sunday afternoon to see Aunt Haley Hodges who is still in bed.

Those seen in Canyon Saturday were: Mr. and Mrs. Chas. Sutton, Mr. and Mrs. Dell Zachery and Barbara, Mr. and Mrs. J. Fulcher and Mary, Mr. and Mrs. Emiel Schaeffer and children, Mrs. Ed Moore, Mr. and Mrs. E. M. Wilson and sons, Hollis Shipman, Mr. and Mrs. A. E. Wise and children, Mr. and Mrs. G. E. Wesley, Mr. and Mrs. J. W. Wesley and Vesta and Lavina Amerson.

Our next H. D. Club meeting will be in the home of Mrs. E. M. Wilson on the first Friday in April.

Mickey Bryan is ill with rheumatism.

Mr. and Mrs. J. M. Schaeffer of near Bakersfield, Calif., stopped in the News office for a few minutes Saturday afternoon. They are newspaper editors and publishers and are old time residents and printers of Plainview. The Schaeffers are enroute to North Camp Hood to visit their son who is in training there.

Capt. T. J. Cox of the Medical Corps has just returned to the United States from 22 months duty over sea. He is now in Flint, Michigan, where his wife is a registered nurse in one of the leading hospitals. Later Capt. Cox will visit with his parents, Mr. and Mrs. G. R. Cox, in Canyon.

3rd Class Petty Officer Donnie Arent has spent a five day leave with his parents, Mr. and Mrs. Lavert Arent. Donnie has made five crossings on the Atlantic as a naval guard on the Merchant Marine.

Miss Margaret Stewart from Abernathy spent the week end in the parental D. M. Stewart home.

Mrs. Wallace R. Clark returned Friday from California where she spent a week with her daughters.

Mr. and Mrs. J. D. Prichard and daughter of Miami visited relatives in Canyon Sunday.

Miss Gwendolyn Phillips spent Sunday in Plainview visiting with Miss Florence Hall.

Mrs. Carroll Love and son from Lubbock spent the week end visiting her mother, Mrs. Letha Lehnick.

Mr. and Mrs. C. A. Barker of Wichita Falls are visiting in the parental J. B. Combs home.

SHUMANS MEET FIRST TIME IN 20 YEARS

Mr. and Mrs. C. Shuman had a family reunion at their home in Canyon on Sunday, March 26th. Their three sons and two daughters were all together for the first time in 20 years.

Those seated around the table at noon were: Mr. and Mrs. L. Shuman and children of Borger, Mr. and Mrs. E. C. Shuman and children of White Deer, M. V. Shuman and children of Hobart, Okla., Mr. and Mrs. W. C. Briggs of Paducah and Mrs. A. J. Newberry of El Monte, Calif., Sgt. and Mrs. Norvin Foster and daughter of Amarillo and Mrs. R. P. Jackson of Phillips.

Callers in the afternoon were Mr. and Mrs. Roy Sneed and sons of Amarillo and Dr. John Coffee of McKinney who was a boyhood friend of Mr. Shuman.

Success is more often achieved through observance of simple, obvious rules than through uncanny shrewdness and deep cunning.

The three principal countries that colonized America are England, France and Spain.

ATTENTION SCHOOL PATRONS

If you have, or know of a child whose sixth birthday comes between last August and next September and his name has not been taken for the school census, please drop me a card at once—giving name and address. I am sure there are a number of six year old children that I have missed. Or if you know of any child of school age, 6 to 18, who has not been enumerated won't you please let me know. Each one means \$25.00 for our school. Let's get them all.

APPETITE TEASERS

and Appeasers

While Winter has been trying to stage a come-back, it is time for Spring, when appetites become finicky and hard to satisfy. It is time to consider appetite builders, such as the Bellah Store features day after day. When the appetite sags, there is danger of spring illness just at a time when you need to be at your best. Come to Bellah's daily for your grocery needs, and be assured that you will receive the best for the least possible money.

Senior Players Will Dramatize Mystery

With Janet (Billy Jane Bonifield), Ethelind, and Bob Hildreth (J. Juniors Enact Two Pantomimes: Pokey Huntus, Mellerdrammer

Meeting in the regular assembly last Friday, the student body of Canyon High School witnessed two presentations by the junior class.

First came a "thrilling" story of the Princess of Virginia, Pokey Huntus, portrayed by Betty Brown, with her one and only Captain John Smith. Tommy Thompson, and her father, chief Powder Can, J. Spencer Winn, to make the story complete. Members of the class presenting the scene were: curtain, Billy Ray Crow; scene, Bobby Black; North Wind, Earl Lock Neff; pine tree, Aubrey Smyth; elm tree, Pauline Baker; maple tree, Laura Lee Davis; plum tree, Lorene Seales. Vergie Ruth Haines was the sun, and Don Standley the babbling brook. Max Dutton was a squirrel gathering the nuts, Harley Hicks and Joyce Sanders. The situation was James Lair, and later changed to Ellen Sanders. Danger, Ellen Root, completed the scene.

Main characters of the second pantomime were: Manuel Del Popolo, Harley Hicks; Zingerella, Ellen Sanders; the young heroine, Maggie O'Brien, Betty Brown; and the hero, Patrick, Tommy Thompson. After the scenery was portrayed by the members of the class.

Joyce Sanders introduced the characters and Margaret Lair read the pantomimes.

Reverend Raymond Whittington of the Church of Christ gave the devotional, preceded by the Pledge of Allegiance led by Billy Jane Bonifield.

HAVE WE FAILED
Students of Canyon High!

Again we appeal to your patriotism. Bonds and stamps are still on sale for the \$75,000 Mustang plane but only \$14,000 of this goal has been reached. What are you going to do about it?

Each Tuesday, as most of us know, the school sponsors a sale of Victory Bonds and Stamps. Have you bought your share of freedom?

FIRECRACKERS—BEWARE

Each year there are numbers of children, under the age of sixteen, who are injured, and in some instances, killed, from playing with blasting caps, fire-crackers and other types of dangerous explosives. Although there are very few explosives produced for amusement, a large number of accidents occur continuously.

So be careful. Keep them away from children, and always remember, they burn!

POPE'S SHOE SHOP

Here's Cal again, students of Canyon High, after tangling with all the gossip in the grapevine system and squeezing as much information out as possible.

Last Friday, almost half of Canyon High journeyed to Amarillo to see the Army exhibit. Methods of transportation varied widely, but it was all for one purpose, and you can bet old Cal knows, for he was there too.

Kids on the Stone bus know, but Cal wants to let the rest of the school in on it too. It seems that Zonelle Gregg and Vernon Ruggles have developed quite a case.

Quite a crowd of newer couples were seen at the show Saturday night. Some of them were: Richmond Hales and Frances Gooch, and Harold Erwin and Betty Brown.

Hearsay has it that Betty Brown has been showing a soldier around town, without telling Harold or Don. This soldier, Private Mike Terlizzi, is a friend of her brother, Billy. (It says here).

Gaining full attention from Ethelind, who in the manner characteristic of all high school girls, is sitting on her feet to save herself from disaster, Lizzie, her face buried deep in the comfort of the couch pillows, Dido, with hand thrown up in a feeble prayer, Juniper, perched on the highest plane at the shortest distance, Sondra, ax raised ready to strike the fatal blow, and Janet, looking on with the air of a wise old owl, the crawling hand pauses in its perilous journey across the room.

A crawling, bloated, severed hand, a spooky old house built on the extreme edge of a cliff extending steeply down to the bay two hundred feet below, constantly visited by the ghosts of Uriah Coffin and Claudine LaClair—put these all together and they spell mystery, drama, and action with a capital "A."

Yes, thrills, chills, and laughs galore will accompany the senior production, "Demon in the Dark," tomorrow night at 8:30 o'clock in the high school auditorium.

Duncan and Janet McTavish, the Scottish caretakers of Lookout Lodge, are, with the innocent (?) assistance of the half-draft "bairn," Mary, attempting for some unknown reason to frighten the new owners of their island home, Sondra and Ethelind Trevor, back to the mainland. Sondra is matter-of-

fact and not easily frightened, but Ethelind rather sides with the superstitious servants, Dido, Juniper, and Lizzie, who all chorus their intense desire to "leave the conjured island."

Ethelind, just another Dan Cupid at heart, thinks she has just about patched up Sondra's quarrel with Bob Hildreth, her favorite of Sondra's suitors, when who should appear on the scene but Deryk Vorse,

Trackmen Renew Athletic Talents

Track season opened for Canyon High School last week with approximately fifteen boys participating. Besides the remainder of last year's team, several new boys from the lower classes are taking part during this season. Almost all of the boys show special ability in different sports such as running, broad and high jumping, vaulting, shot put, and discus throwing. Many of the members of the team plan to improve their speed and wind over former years and hope to give a good showing at the regional meet, which is to be held April 22 at the West Texas State College track field.

Coach Milton Sanders says, "We have some young hopefuls in almost every field and plan for a very successful season and a promising future."

Schafer Slides While Parmalee Penalizes

"Mrs. Parmalee, somebody must have greased this seat. I can't sit up in it."

This statement was made by Charles Schafer, student in English IV, as he slid far down into his seat again. With the whole room watching the amazing (?) Charles slide up and down, they were sent into hysterics of laughter when he bumped his head on the back of the seat.

"Dear me, Charles," said Mrs. Parmalee, "there must be something wrong with your basal metabolism." Everyone in the room gasped.

The craving of a man for liquor is mild compared with the craving of a plump girl for chocolate candy and ice cream.

The average girl who leaves home is about 15, according to statistics. The average girl who stays home is about 80.

John Quincy Adams was the only ex-President to return to Washington as a representative in Congress.

Hand, William Jasper Hand, Maurice Hand, Thomas Hand, Sr., and L. L. Hand, and their heirs and the legal representatives of all of them, as Defendants.

The nature of said suit being substantially as follows, to-wit: This is an action in trespass to try title and for damages. Amarillo National Bank as plaintiff, alleges that on October 6, 1943, it was the owner and in possession of all of Section Number One Hundred Sixty-eight (168) in Block Number Nine (9), located by virtue of Certificate 1-118, issued to Beatty, Seale & Forwood, containing 656 acres of land, more or less, and that the defendants named herein, and each of them, on October 7, 1943, entered and dispossessed Amarillo National Bank and with-hold possession from it, the reasonable value of which is \$25.00 per month. Amarillo National Bank claims title under three, five, ten, and twenty-five year statutes of limitation and asks for judgment, for title and possession of the premises, damages for rent, costs of suit, etc.

Issued this 7th day of March, 1944.

These maps have been distributed throughout history rooms in the high school and grade school.

Singers Entertain Language Society

Following a short business meeting, the Canyon High School Spanish Club viewed the following program yesterday morning.

Mrs. Tom Lair, who has just returned from a trip to Mexico, made a short talk on her travels. Next, Helen Jo Cox gave a lively Spanish dance, "Jarabe Tapatio." Lorena Turner played several numbers on the piano followed by a performance by several grade school students.

An old time performer on Spanish Club programs, Billy Jane Bonifield, sang a song.

In charge of the program were Peggy Gean Head and Margaret Lair.

Farmers Discuss Future Actions

Members of the Canyon High School F. P. A. chapter decided in a meeting last Friday that monthly meetings would be held. These meetings are to offer a good chance for programs and entertainments.

For the Father and Son Banquet, committees were appointed to work out the evening's entertainment and menu.

Upon the completion of the business session, parliamentary procedure rules were discussed and a list was made of the livestock and crops to be raised by each member as projects for the coming year.

April 4 was the date set aside for the Chapter Farmer Ceremony to be sponsored by graduate members of the chapter.

The first jury system set up to determine the guilt or innocence of an accused person was made by Henry II of England in the 12th century.

Juniper (Charles Hillier) and Dido (Claudine Foster) are so wrapped up in each other, and Lizzie with her stomach bitters, that none of the three are aware of the fact that Mary (Helen Jo Cox), has crawled onto the scene and is reaching frantically for her crutches. Ethelind (Ruth Price) and Sondra (Mollie Nann Ziegler) are painfully aware of the fact, but are too stunned to do anything about it.

Sondra's favorite. Ah, one of those "romantic triangles" finds it way onto the scene.

Main interest, and less desire for a personal encounter, is centered on the Demon, Uriah Coffin's ghost, no longer a man, but a corpse creature from the graveyard of the deep. His skin gleams a leperous slate gray and his swollen cheeks stretch his mouth to a gaping hole. His hair, a sodden mass of foul, wet strands, writhes down over his sunken, glassy, wide-staring eyes. Uriah Coffin, a loathsome monster

of life and death, his whole being bathed in a greenish gloss as if lit up by the gasses of his decaying body wields an unholy power over the person who ever once gazes into his gruesome, slimy face.

These glimpses into "Demon in the Dark" are only a very small portion of the three-act mystery comedy, written by Barry Colbert, and directed by W. G. Sanderson, class sponsor.

Admission will be 15, 25 and 35 cents.

GIRLS CRANE NECKS TO WATCH ARMY KHAKI AND NAVY BLUE

GRADE NOTES

Last Friday afternoon Mrs. H. R. Hungate entertained Mrs. T. W. Collins' first grade class with a birthday party in honor of her son, Larry, who was eight years old. After songs and a story read by Sally Jo Richardson, angel food cake, ice cream, and decorated suckers were served, and a photograph was taken of the group.

"This was one of the loveliest parties that have ever been presented by the mother of a pupil in my class," said Mrs. Collins.

A popcorn party last Friday afternoon honored the members of Mrs. Stella Murrell's second grade who have birthdays in March, with riddles and games. Those whose birthdays are in this month were Jerry McAtee, Norman Tucek, Madeline Cowder, and Johnnie Faye Bonds.

Manuel Beavers, Frank Lill, and Shirley McGehee are members of Mrs. Robert Orton's first grade who have been absent because of illness. As part of a unit on spring, pupils in this class have completed finger paintings of rabbits, flowers, trees, etc. Another project of this class is an ABC book made with Bible verses and characters.

An Hour Book is a current project of the sixth grade classes under the direction of Mrs. E. W. Miller. It is made by printing and illustrating passages from the Bible on sheets of paper which will later be bound into a book.

John Hawley has withdrawn from Miss Florence McMurphy's fourth grade class and moved to Amarillo.

Members of Mrs. L. M. Cousins' fourth grade bird club elected new officers at a meeting last Friday. They are: President, Lynn Blewett; vice president, Ted Nicklaus; secretary, Teddy Howell; and program chairman, Catherine Shellnut. The program for the meeting consisted of stories and reports by Jane Schramm, Ella Jean McDuff, and Lynn Blewett, and a violin solo by Ted Nicklaus.

Necks craned and eyes popped as ex-students Hal Harrison and Calvin Sanders strolled down the halls of Canyon High.

Hal, 1/c Aviation Ordnance, has been overseas for more than a year. Manning a twenty millimeter gun while at battle station on an airplane carrier, Hal has been in all the major battles in the South Pacific in the last six months, including the Marshall and Gilbert Islands. He will report back to his ship at the end of his furlough. "I'm just AWFUL glad to be home. While I was out in the Pacific, away from everything and everybody, I would daydream about how many nickels I could put in that juke-box down at Bob's if I were only home," Hal said.

Pfc. Calvin Sanders, one of last year's mid-term graduates, has been in the service for more than a year. He is now an aerial gunner at Camp Roberts, California.

When asked how he liked his work he said, "Oh, army life's okay, but home sure looks good to me."

This is Calvin's first furlough since he has been in the service, and also, he said, the first time he has seen a Texan in ages. Most of his buddies are from Washington and Oregon.

At Camp Roberts, they have camp shows about once a month, but Calvin says it's usually just his luck to be out on maneuvers during that time.

In speaking of the army food Calvin says "Chow's okay. Naturally it doesn't compare to home cooking, but you're not supposed to eat government food for taste."

RATION REMINDERS

Meats, Fats: Red stamps A8, B8, C8, D8, E8, F8, are good through May 20. G8, H8, J8, K8, are good through June 18. Waste kitchen fats exchanged for two points and four cents a pound.

Processed Fruits, Vegetables—Green stamps A8, B8, C8, D8, E8, are good through May 20. Blue stamps F8, G8, H8, J8, K8, are good April 1 through June 20.

Tire Inspection Deadlines: A-coupon holders, March 31.

MORE SUGAR FOR HOME CANNING

To get canning sugar in addition to the five pounds per person available with sugar stamp 40, application should be made to the local ration board on Form OPA R-323, which will be furnished upon request by the office of the local board, OPA announces. The entire transaction may be handled by mail, one application serving for all who live at the same address. In order to make it unnecessary to send ration books through the mail, the spare stamp 37 from war ration Book Four is attached to the application form for each person applying. Families that preserve and can foods at home for sale to others may apply to their local boards for a maximum of 250 pounds for this

purpose. Sugar beet and sugar cane growers may get 25 pounds of ration-free sugar for each member of their families as part of the sugar produced from their 1944 crops by applying to distributors who processed their crops.

RUBBER SITUATION STILL STRINGENT

Although the nation is now producing synthetic rubber faster than raw rubber was consumed in this country any time prior to 1941, military and civilian demands still exceed the supply, the Office of Rubber Director discloses. Low speed limits must be enforced and all tires recapped if essential driving is to be maintained during the critical months ahead, the Rubber Director warns. He reminds motorists that the life of a tire at 35 miles per hour is 50 per cent longer than at 50 miles per hour and three times longer than at 60 miles per hour.

CONSUMER GOODS SURVEY

A check-up on how well government measures have helped to alleviate shortages of civilian goods will be provided by a Consumer Goods survey now being made by the Office of Civilian Requirements of the War Production Board. Merchandise to be surveyed include miscellaneous household articles such as bobbie pins, safety pins and cleaning tissue; clothing for men, women and children; household linens; and yard goods for apparel.

WHY MAKE DECLARATIONS?

The income tax declarations required by April 15, this year, of some 15 million persons are a fundamental requirement in the "pay as you go" system, the Bureau of Internal Revenue explains. Only by means of these declarations is it possible for the bureau to learn how much tax is due from those whose tax obligations are not completely met by funds withheld for that purpose by employers. If taxes are due, those who make declarations and pay the entire tax by April 15 or they must pay the first quarterly installment of such tax at that time. Other installments are due June 15, September 15, and December 15. Farmers are allowed to postpone declarations and payment until as late as December 15. Penalties are provided for underestimating tax and failure to pay installments when due, but amended declarations may be made as late as December 15.

ASK DOLLARS AND CENTS CEILING

With most of the nation's major food items and many others under dollars and cents ceiling prices that the consumer can understand, the OPA Consumer Advisory Committee has urged OPA to extend dollars and cents ceilings to hardware, dry goods, work clothing and similar products. The committee said, "Consumers can recognize and help to enforce" such ceiling prices. Meanwhile OPA has established dollars and cents ceiling prices for country cured pork products and farmer produced hybrid sweet corn

seeds. There will be some decreases and no increases in country cured pork prices. Consumers may get community price lists, showing ceiling prices on food, from local war price and ration boards.

ROUND UP

Casualties of the U. S. armed forces as announced by OWI March 22 were 38,846 dead, 58,964 wounded, 35,521 missing and 31,730 prisoners—of whom 1,894 have died in prison camps, mostly Japanese. . . . To make room for 1944 food production, WFA has ordered reduction in last year's cold storage stocks of certain foods. . . . Baked potatoes lose twice as much Ascorbic acid and three times as much Thiamine as potatoes pooled in their skins, the USDA says.

OPA announces that—special gasoline rations may be granted for 200 mile delivery on their own wheels of the few remaining new passenger automobiles in dealers hands to users who most need them. . . . An increase of 40 cents per hundred pounds at processor level for yellow and white dry corn milling products, is expected to result in a retail increase of about one-half cent a pound for corn meal, corn grits and related food items. . . . Florida ration boards are carrying out the spirit and letter of rationing in denying special gasoline rations to stranded vacationists. The 1943 maximum prices for binding twine will continue in effect during 1944.

WPB says that—manufacturers of galvanized pails, wash tubs, wash boilers, funnels, fire shovels and storage cans for petroleum products have been granted supplementary quotas of iron and steel for the second quarter, this year. . . . To enable victory gardeners to buy atomizing hand sprayers, hand dusters, wheeltire hand cultivators and hand plows easily, it has lifted preference rating requirements. . . . Projects for production of 11,000,000 gallons of ethyl alcohol annually from wood wastes and sweet potatoes have been approved, one in Springfield Ore.; the other in Slewston, Fla.

ODT says that—badly adjusted and misaligned truck and bus steering mechanisms "do more to grind tires into powder than any other tire-wearing factor," and its bulletin, "Steering Maintenance," will be sent to those who request it—address Rural Press Section OWI, 3540 Social Security Building, Washington 25, D. Mister: Could you use TWINS?

*It's Phillips
Finest Quality*

Every car owner, these days, has a double reason for protecting and preserving his automobile: His own interest, and the nation's interest in keeping every possible car running as a vital link in our country's transportation system.

That is why we remind loyal users of famous Phillips 66 Gasoline that the twin product which really goes with it is Phillips 66 Motor Oil.

Here is a lubricant, 100% paraffin base, which answers the question every motorist wants to know: How can I quickly and confidently select a high quality oil?

To help you choose, Phillips makes this frank statement: If you want our best oil, remember we specify that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to average motorists.

Good oil has always been a good investment. Today, good oil is the only kind any thinking car owner will use. Play safe and save by asking for Phillips 66 Motor Oil, when draining winter-worn lubricant or making the recommended every-two-months oil change.

HOW TO FIX YOUR OWN PLUGS AND CORDS

THESE DAYS almost every housewife has to be her own repairman at some time. By making simple repairs on your lighting plugs and cords, you can save the time of lighting service men so urgently needed for vital war work.

Of course, it's always preferable to get new cords and plugs and to use new wire. If you can't, you can do a good job of patching up the old by following these few simple suggestions.

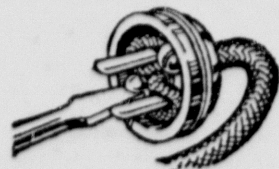

REPAIR CORDS FRAYED NEAR PLUG

Unscrew screws and pull wire out.

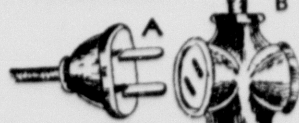

Cut off frayed part of the wire.

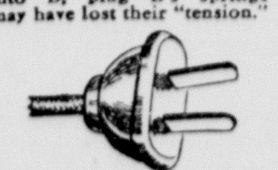

Reinsert wire in plug, and screw in place.

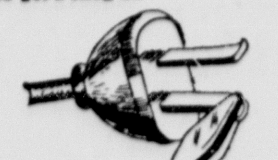

MAKE SURE PLUGS FIT SNUGLY

Where "A" doesn't fit snugly into "B," plug "B's" springs may have lost their "tension."

Bend plug "A's" prongs apart with your fingers. Just enough to get a snug fit.

Or bend out the ends of the prongs with a pair of pliers.

New Steel Beauties on the Santa Fe

There isn't yet the ceremony in taking delivery of a new locomotive that there is in christening a ship.

But, just the same, it's a great occasion on the Santa Fe when we receive those super-powered, high-speed locomotives so badly needed today.

For every new one means "rolling" more and longer freight trains loaded with war matériel, and more trains operated for the increasing troop movements.

The three locomotives shown above are among the first delivered of the big fleet of powerful locomotives ordered by Santa Fe. And more are coming!

★ Locomotives illustrated above—new "4-8-4" steam locomotive, "2000 class"; 5400-horsepower freight Diesel; "2-10-4" steam locomotive, "5001 class." You can bet your driving wheels they'll pull a lot of freight cars fast!

Hundley From Shanghai to Speak At Baptist Church

Miss Lillie Hundley, whose home is at Claude, but who recently returned to the United States on the liner "Grisholm" from Shanghai where her mission teaching had been interrupted many months before when the Japanese put her in a concentration camp, will speak at the First Baptist Church in Canyon Sunday morning, April 2, at 11:00. Miss Hundley has been in Canyon before, having been the guest of the late Rev. J. R. Hicks, former pastor of the local church, and will be remembered by a number of friends.

On Saturday night she is meeting a group of her friends at a buffet supper at the J. W. McCrerey home. Her appearance at the local church is being sponsored by the "Hundley Circle" of the Woman's Missionary Society, of which Mrs. A. K. Goodman is chairman.

Pastor Roy L. Johnson expresses the hope that many people will hear her at the Sunday morning hour.

Dairy Show Will Be Held at Plainview April 11

The 17th Annual Panhandle-Plains Dairy Show will be held at Plainview, starting April 11.

Many Randall county dairymen are regular exhibitors at this show. A pageant will be held at the first night of the show.

EPISCOPAL CHURCH NOTICE

On April 2 at 4 p. m. Evening Prayer and sermon and Distribution of Palm and Palm Crosses will be held at the All Saints' Episcopal Church.

CARD OF THANKS

We take this means to try to express our appreciation to each and every one for the help given us in any way in the loss of our home by fire. We especially do appreciate the many deeds and words spoken to help us bear our burden. May God bless each and every one of you is our prayer.

Mr. and Mrs. L. B. Harden and family spent the week end in the parental W. H. Harden home.

Mrs. Eva Maynard is the new assistant at Thompson Hardware Company.

Methodist Church To Observe Passion Week

Beginning with the Sunday Service the Methodist Church will observe the pre-Easter Passion Week. Monday's service will be a free picture show, "King of Kings," portraying the life of Christ.

The evening services for the remainder of the week will begin at 8 o'clock and will be under the guidance of the pastor, C. C. Armstrong.

Palo Duro News

Mr. and Mrs. G. H. Rose called in the E. A. Albers home Thursday. Several families from this community attended the celebration at the Meyer home Sunday.

Wilma Schuette, Alvin Kuhlman and Oscar Schuette spent Monday evening in the E. H. Albers home.

Mr. and Mrs. N. E. Root were Sunday visitors in the E. A. Michael home.

The Lutheran Lenten Service which for the past four Thursday evenings have been held in homes in this neighborhood have been well attended. The last service in the series will be held this Thursday evening at 8:30 in the E. H.

Albers home. The public is invited to attend.
